Arkansas Marriage Officiant Guide

Marriage Officiants: Any regularly-ordained minister or priest of any religious sect or denomination may perform marriage ceremonies in Arkansas. Prior to performing a ceremony, Officiants must file their ordination credentials with a county or circuit court clerk in the state, who will then issue a certificate to the minister. (The filing fee is usually \$5.

Please contact your local County Clerk's office for an application and complete instructions.)

PLEASE NOTE: Some County Clerks in Arkansas do not accept ordination credentials bearing an expiration date. In such cases, the church will provide you with a letter of good standing complying with this stipulation.

Certificate of Marriage: Ministers *must* complete the information required in the Certificate of Marriage section on the marriage license. (See reverse for sample certificate.) The minister is *not* responsible for returning the license after the marriage ceremony. The applicants are responsible and *must* return the marriage license to the County Clerk's office to be recorded within sixty (60) days from the date of issuance.
